Juniors

May we remind parents that it is their responsibility to supervise children at all times when they are shooting.

If you are unable to supervise your child and wish for another person to do so, then this **MUST** be arranged with that person in advance.

We do not wish to discourage our younger members but it is not always possible for a senior member to supervise at short notice.

Frostbite

Some hardy members shoot outside all through the winter! For details of the Frostbite (postal league) which are shot on Saturday afternoons please contact Pat Lingwood

Moving On

Please advise Mick Brown of any changes to your address, telephone number or e-mail address.
